Appearances:

For the Plaintiff:

GREGORY ADAM BROWN

McCarron & Diess

576 Broadhollow Road, Suite 105

Melville, NY 11747

BLOCK, Senior District Judge:

On May 24, 2021, Magistrate Judge Ramon E. Reyes, Jr. issued a Report and Recommendation (“R&R”), recommending “that Ryeco’s motion for default judgment be granted, and that Defendants be held jointly and severally liable to Ryeco for \$38,534.90 in damages, \$400 in costs, \$7,302 in attorneys’ fees, plus pre-judgment interest.” ECF No. 16 at 1.

The R&R stated that failure to object within fourteen days of the date of the R&R precludes further review. No objections were filed. If clear notice has been

given of the consequences of failing to object and there are no objections, the Court may adopt the R&R without *de novo* review. *See, e.g., Smith v. Campbell*, 782 F.3d 93, 102 (2d Cir. 2015). The Court will excuse the failure to object and conduct *de novo* review if it appears that the magistrate judge may have committed plain error. *See Spence v. Superintendent, Great Meadow Corr. Facility*, 219 F.3d 162, 174 (2d Cir. 2000). No such error appears in Magistrate Judge Reyes’ extremely thorough and thoughtful decision.

Accordingly, the Court **ADOPTS** the R&R and orders that Efraimov and Muratov be held jointly and severally liable with Legend Produce, and that Ryeco be awarded damages in the total sum of \$49,020.40, comprised of: (i) \$38,534.90 in damages; (ii) \$7,302 in attorneys’ fees; (iii) \$400 in costs; and (iv) \$2,783.50 in pre-judgment interest through today’s date, plus (v) pre-judgment interest from today’s date through the date that the Clerk of Court enters judgment at a rate of \$9.50 per day.

SO ORDERED.
